Hello, BEAUTIFUL Bride-to-Be,

**Congratulations!** You're in the home stretch of your wedding preparation, and in the hands of seasoned RVA beauty professionals with Whole Life Beauty. Here's the last few details needed to get you and your bridal party hair and makeup-ready for a **BEAUTIFUL** Saturday celebration.

*Please have everyone happily arrive on time with:*

- 1) No overhead clothing that needs to be removed after hair and makeup are done, please. Each client will wear a cape that, when seated, covers from the neck to their knees, so their outfit for on camera can/should be worn during prep time. If a wardrobe change is planned for a subsequent session, a wrap-around blouse or top, or one that buttons down the front is suggested for the first session.
- 2) Teeth brushed already and contacts already in eyes
- 3) Completely clean, no-makeup-from-the-night-before-faces, with moisturizer on
- 4) Preferably no greasy foods in the dressing room that can take down lipstick and makeup around the mouth and chin areas. **Foods that can be eaten with a fork or toothpick, and straws for drinking beverages are great options!**
- 5) Hair clean and completely dry
- 6) Hair that's prepped for the desired look, as in, if your hair is naturally curly and the lady desires a sleek look, please both dry with appropriate techniques and prep hair with appropriate styling products
- 7) The balance for Makeup service is \$..., due tomorrow. I accept cash, Venmo or Cashapp or Paypal. You will receive a receipt for your records.
